Read and Play Everyday

Read books and complete literacy-based activities to help get your child ready for school.

We've provided 250 suggested literacy activities on the themes: talk, play, sing, write, and read. It's important to remember that these activities are just suggestions. Feel free to tweak them to suit you and your child, or try something else altogether. Just remember still to tick off an activity, even if you tried something else, so you can complete the badges!

All programs are FREE unless otherwise noted. Donations to your library are gratefully accepted. Responsibility for the welfare and the behaviour of children using the library ultimately rests with the parent/guardian or an assigned caregiver.
Thank you for your understanding.
