

NEW!

Municipality of Northern Bruce Peninsula

WASTE & RECYCLING COLLECTION

Effective Monday, January 2, 2017, curbside waste and recycling collection will occur for the **entire** Municipality. Waste and recycling will be collected simultaneously by Waste Management of Canada starting at 8:00 a.m., **Mondays only**, including all statutory holidays with the exception of Christmas Day and New Year's Day should they fall on a Monday.

All waste and recycling must be curbside by **8:00 a.m. on Mondays** to ensure collection.

There is a **two (2) bag limit** for waste. See below for further details.

In 2017, one free Blue Box per household will be available. Please watch for details in the near future!

- The same truck will collect both waste and recycling. The truck will have two separate compartments.
- Two (2) bag limit – bags cannot weigh more than 22 kg/50 lb each.
- For waste and recycling not set out properly, a sticker will be placed indicating the reason for no collection.
- If roads are closed or unsafe for travel due to weather conditions, collection may not be performed. Therefore, please retain your waste and recyclables until the following Monday for collection or visit a Waste Disposal Site.
- Those residences on private or unmaintained roadways will be required to place their waste and recyclable materials at the nearest intersection of a serviced roadway.
- Those residences on a seasonal roadway will be required to place their waste and recyclable materials at the nearest intersection of a serviced roadway during the winter season.

Missed collections are upsetting, but there is usually a reason why material was not collected as expected. To ensure your waste and recycling is collected, please adhere to the following:

- In an approved container (as per By-Law #2013-74)
- Placed at the curb prior to 8:00 a.m.
- In a clearly visible location, not behind a vehicle, snow bank or other obstruction
- Free of prohibited content (any material other than household waste will not be collected)
- Within the limit of two bags, each weighing no more than 22 kg/50 lb

Accepted recyclable materials:

- Glass: clear or coloured jars
- Cardboard: corrugated, boxboard, boxed beverage containers.
- Paper: envelopes, paperbacks, magazines and catalogues, printer and fine paper, newspapers and flyers
- Tin and Plastics: food and beverage containers, pop cans, plastic bottles, tubs and lids, plastic clam shell containers. Plastics # 1-5, 7.

The Recycling Depots at 2942 Highway 6, Ferndale and 7045 Highway 6, Tobermory will remain in place until curbside Blue Box containers can be distributed to residents. During this transition, residents can recycle their materials via curbside collection and/or at a depot. Recycling depots at Waste Disposal Sites will remain and will continue to accept recyclable materials on a permanent basis.

WASTE DISPOSAL SITE LOCATIONS AND HOURS

EASTNOR - 1252 West Road
November 1 – April 30
Monday 12:30 p.m. – 4:00 p.m.
