

RESIDENTIAL PARKING PASSES

Northern Bruce Peninsula is now in year two of the paid parking program for Tobermory.

The Map below outlines the Parking limits and “Pay & Display” locations.

If you are a home or cottage owner or year-round renter in Northern Bruce Peninsula, you qualify for two (2) Parking Passes, at no cost.

Please note, if you received Parking Passes last year, they are still valid and you do not need to replace them or obtain a new one for 2018.

Residents who do not have parking passes from last year or have a different vehicle from last year can pick up their parking new passes at the Municipal office located at 56 Lindsay Road 5, during normal business hours. Please note that you are required to bring the old pass with you as well as the information listed below.

Residents will be required to provide identification and vehicle ownership to acquire parking passes.

Parking passes are matched with a specific licence plate number which is affiliated with the property owner/owners.

If you require more than two (2) parking passes, additional residential parking passes can be purchased for a fee of \$50.00 each.

Non-Resident Parking passes are also available for a fee of \$100.00
