Beanstack

Evergreen Reading Program

The Evergreen Award program is a perfect way for public libraries and book clubs to engage with the best titles in Canadian fiction and non-fiction. Register today in the Beanstack app or pick up a bookmark from your local library branch and read the titles listed. In September, vote for your favourite title. All votes are collected and counted from across Ontario to determine the readers choice for this year's Evergreen Award!

All programs are FREE unless otherwise noted. Donations to your library are gratefully accepted. Responsibility for the welfare and the behaviour of children using the library ultimately rests with the parent/guardian or an assigned caregiver.

Thank you for your understanding.
