

The Corporation of the Municipality of Northern Bruce Peninsula

By-Law No. 2023-59

Being A By-Law to Set Fees and Charges for The Municipality of Northern Bruce Peninsula

Whereas the Municipal Act, 2001, S.O. 2001, c. 25, Section 391 (1), authorizes a municipality to impose fees or charges on any class of persons,

- a) for services or activities provided or done by or on behalf of it;
- b) for costs payable by it for services or activities provided or done by or on behalf of any other municipal or local board; and
- c) for the use of its property including property under its control

And Whereas Municipal Councils have the authority to establish rates and fess under various Acts, and the Council of the Corporation of the Municipality of Northern Bruce Peninsula deems it expedient to pass a by-law establishing certain fees and charges:

And Whereas the Municipal Act, 2001, S.O. 2001, C. 25, Section 398 (2) authorizes the Treasurer of a local municipality to add fees and charges imposed by the Municipality or local board, to the tax roll for the real property of which the owner or owners are responsible for paying the fees and charges;

Now Therefore the Municipal Council of the Corporation of the Municipality of Northern Bruce Peninsula enacts as follows:

1. That the Municipality of Northern Bruce Peninsula hereby develop and adopt a listing of fees and charges contained in the attached Schedule "A" to this By-law.
2. That should any fee or charge authorized by this by-law remain unpaid and past due, staff is hereby authorized to add any such outstanding receivable together with any applicable interest to the tax roll for the property of the owners which are responsible for paying the outstanding fee or charge.
3. That it is intended that all provisions of the by-law shall be binding and effective. In the event that any particular provision(s) or part of a provision is found to be void, violable, or unenforceable for any reason whatsoever, then the particular provision(s) or part of the provision shall be deemed severed from the remainder of this by-law and all other provisions shall remain in full force.
4. That this by-law supersedes By-law No. 2023-30 or any fee in any other by-law not consistent with this by-law.
5. That this by-law shall be known as the "Fees and Charges By-law".
6. That this by-law shall come into full force upon passing.

Read a First and Second Time This 24th Day of July 2023.
