

Site plan requirements for a Food Truck Licence Application

The site plan is to be drawn to scale, and shall include:

- Proposed location of the Food Truck on the property, including setbacks from all property lines and the road allowance.
- The location with dimensions (width, length & maneuvering aisle), and number of proposed parking spaces.
 - For every picnic table or 5 seats, one parking space is required as per the Municipal Zoning By-law parking provisions.
- Proposed access to the property from the highway
- Location of trash receptacles
- Location of washroom facilities

Depending on the specifics with respect to location, additional information may be required on the site plan.
